## **GOVERNORS' SCHEME OF DELEGATION 2022/23**

This scheme of delegation records the Governing Body's delegation of functions, having regard to the current status as a standalone Academy and the associated Articles of Association, by listing the main areas of business and the types of decisions typically taken each year. It is a document that Ofsted would wish to see in place in relation to governance arrangements. In addition, these arrangements must be included in the governance statement included within the Academy Trust's annual report and also published on the school's website. The scheme lists Committee remits and the areas of business that they will undertake each year.

### **Annual Review**

The Governing Body will review the delegation of functions annually. It will be accountable for any decisions taken, including those relating to functions delegated to a Committee or an individual.

### **Quoracy**

Decisions may only be made if a meeting is quorate. The quorum for a full governing body meeting is three governors or one third of the total number of governors in office whichever is greater. The quorum is two thirds of the total number of governors (rounded up to a whole number) to vote on:

- Appointment of a parent governor
- Removal of a governor appointed by the governing body
- Vote on the removal of the chair

The minimum quorum for a Committee meeting is three governors.

### **Reporting back to the full governing body**

All decisions are taken on behalf of the Governing Body, which should receive reports/ minutes from any individual or Committee to whom a decision has been delegated and consider whether any further action is necessary.

### **Delegation of functions of the governing body**

- 1) A governing body can delegate any of its statutory functions to a Committee, a governor, the Head Teacher, or individuals subject to prescribed restrictions in the Articles of Association.
- 2) In exceptional and unforeseen circumstances and subject to (3) below the Chair of the Governing Body, in consultation with the Chairs of the Pupils and Personnel and Finance, Audit and Risk Committees and the Head Teacher, shall be authorised to make urgent decisions where they are required before a Governing Body meeting can be convened. Such action to be reported to the first available Governing Body meeting.
- 3) Where such urgent decisions referred to in (2) above are prescribed restrictions in the Trust's Articles of Association and formal resolution of the Governing Body is required, then arrangements will be made to enable Governors to participate in meetings by telephone or video conference (as detailed in Article 123 of the Trust Articles of Association) and, where this is not possible, then by email where views and voting intentions will be sought.

## Establishment of Committees and delegation

The Governing Body must review the establishment, membership and proceedings of its Committees on an annual basis.
