## Year 11 Revision Timetable - Holidays

How to use your revision timetable effectively:

- Block out the times when you can't revise (eg. clubs, hobbies, activities, family commitments)
- Identify an average of between 3-5 hours per day in which you plan to complete your revision (you may have some days that you do slightly more or less depending on your holiday commitments)
- In each hourly revision slot, record which subject and topic you plan to revise.
- Make sure you stick to your plan! RAG rate each session to identify if you learnt the vast majority (green), more than half (amber) or less than half (red) of the content. This will help you to plan your revision for the following week.
- Use the notes section to record any reflections (eg. which revision strategies are working well).
